

Color Gloss Shader

This is a shader asset. No complicated step is required before using this package. After importing, you can find these shaders under ColorGloss in shader list.

Includes 4 color gloss shaders:

1. normal color gloss
2. color gloss + parallax
3. color gloss + reflective
4. color gloss + glass reflective

A simple demo is included in the package called "EffectTest". If you have any questions or suggestions, please send an email to taniswu318@gmail.com. I'll try my best to fix the bugs or add/improve the features.

Updates will follow if it's necessary.

Thank you for using my package!
